## DRINKS & COFFEES

### LOVE COFFEE

Love Coffee is our own unique blend created by us to bring a significant twist to the morning coffee that we all love. In line with our ethos we love that our beans are ethically sourced and traditionally handled. Most importantly we love that our coffee is locally roasted by Dan of Chimney Fire Coffee, who began by roasting our beautiful blend in a shed in his back garden. If you love our Love Blend as much as we do, it is also available to take home!

We can make any coffee, cappuccino, latte, flat white...just tell us how you like it

**Turmeric Coffee** .....£3.75

A warming spiced latte made with turmeric & cinnamon

**Dirty Chai**.....£3.95
